

VETERAN SERVICES

Personalized Career Services for Veterans, Active-Duty Spouses, and Military Families

Since 2012, Goodwill of Southern Nevada has provided free career services to local veterans seeking to transition from military to civilian life.

Goodwill career coaches with military experience help veterans translate the skills they developed in the armed forces to civilian employment, career advancement, and long-term financial stability.

We also help spouses of active-duty service members identify and train for careers that can thrive even as assignments take military families from place to place.

CAREER COACHES WITH MILITARY EXPERIENCE

Mike Miller, a former Sergeant (E-5) with 8 years of service in the U.S. Marine Corps, joined Goodwill as a career coach in early 2021. His civilian experience includes being a journeyman with Teamsters 631 as well as management in hospitality, retail and entertainment. As a career coach, Mike loves the opportunity to help participants improve their lives for the better by offering a “hand up” and leading them to often well-deserved opportunities.

Crystal Burrola, the wife of a former Marine who served two tours in Iraq, has worked with the veteran community for over 10 years. Prior to joining Goodwill Career Services in 2021, Crystal most recently helped veterans recovering from drug and alcohol addiction. A mother of two, Crystal is working toward her bachelor’s degree in communications. As a career coach, she takes great pride in helping veterans succeed in whatever they are trying to accomplish.

Matt Gay served in the U.S. Navy for 23 years as a Senior Chief (E-8), Logistics Specialist and Customer Service Specialist. After two years with the U.S. Postal Service, Matt joined Goodwill, advancing to Store Manager before transitioning to support team members companywide as a Human Resources Advisor. Matt loves helping others, giving people an opportunity to be successful, and seeing them achieve their goals.

An equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. For more information, Relay 711 (TTY or Voice) or 1-800-326-6868.
